# INTRODUCTION

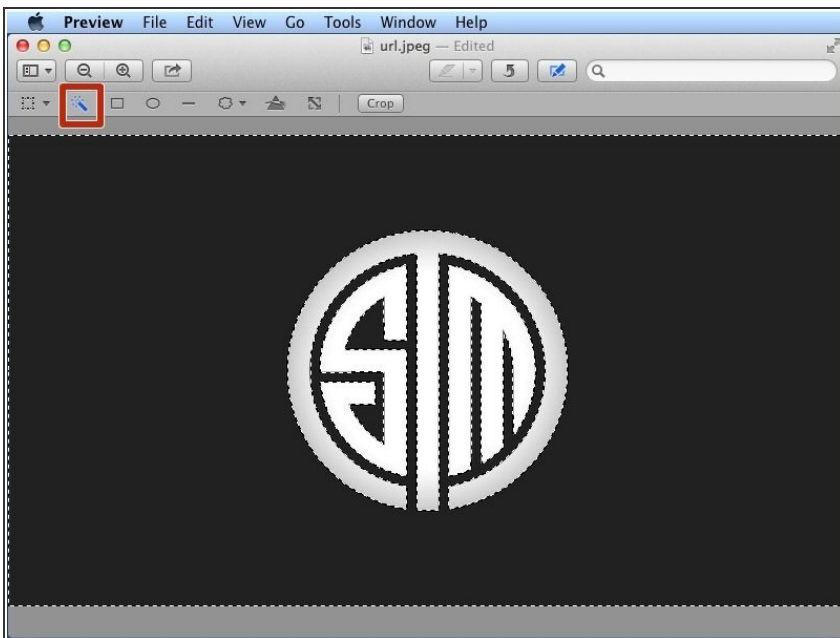

Learn how to remove an image background.

## Step 1 — Using Tools In Preview

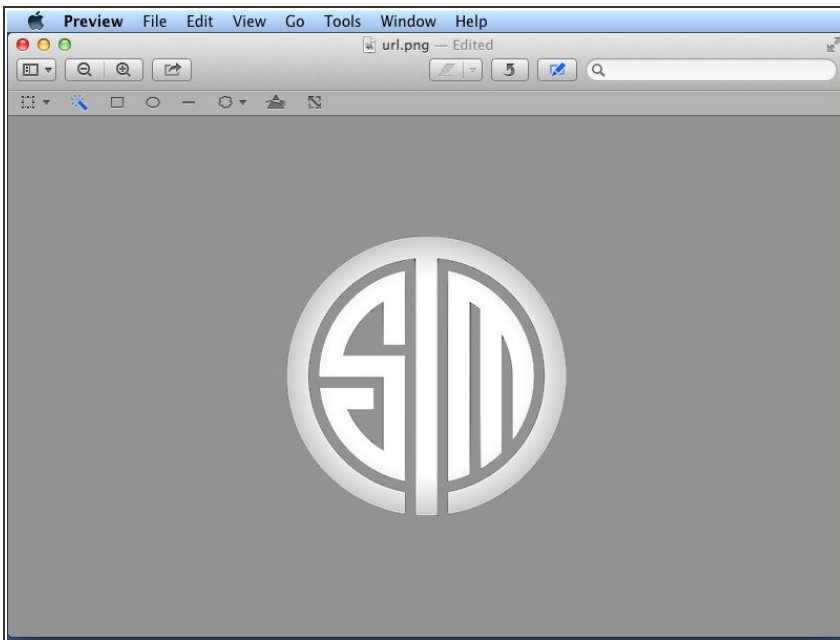

- Open the image you want to edit in preview and click on the "Tools" button to open a menu of options.
- ❗ With the tools in the menu you can adjust the colour of the image, adjust the size of the image, annotate the image, rotate and crop the image.

## Step 2 — Using Instant Alpha To Remove The Image Background

- Select the instant alpha tool and select the background

## Step 3 — Removing The Image Background

**i** Click the backspace button on your keyboard to delete the selected area
